From the Hotel Tryp Menfis to the conference place

The hotel Tryp Menfis is located in the center of Madrid and is very close to the metro station of Plaza de España. From this metro station you take line 3 direction Moncloa, change train in Moncloa, to line 6 and drop off at the next stop, Ciudad Universitaria. As a total there are 4 stops, and takes about 17 minutes (excluding waiting times, usually less than 3 minutes).

At Ciudad Universitaria take the main exit door, next to the bar. From there you can go to the right and walk 10 minutes up to the Faculty of Mathematics, or you can take the bus number **G or 82** and get off after 3 stops. The stops are announced on the bus. The 10-trip ticket allows you to make one change from metro to bus. The stop of the conference place is called “PARANINFO MATEMATICAS”. The GPS coordinates on Google Maps of the conference place are [Av Complutense @40.4495, -3.726](#).

The conference room is located inside the Faculty of Mathematics, “aula Miguel de Guzman”, on floor ½ (yes it is floor one half, and this is not a movie of Mr. Potter). Once you enter the Faculty of Mathematics go up the stairs for half a floor and then go left.

People who like to take some drink or other food from its place are also welcome. We have a fridge to preserve food.
